

Science Teacher for August 2019

Details

The British School, Alexandria (NOR 520) seeks applications from enthusiastic, hard-working and talented teachers seeking to develop their teaching career in an international setting.

We follow the British National Curriculum, IGCSE and A-level. We would need you to be able to teach Science in KS3 and either Biology, Chemistry or Physics at KS4 and KS5. You would be joining a very strong department which achieves excellent results.

The British School, Alexandria is a long-established, high-achieving and forward-thinking 3-18 International School known for its family atmosphere. It enjoys an excellent reputation both within Alexandria and further afield. It is recognised by the DfE and is an accredited member of the Council of British International Schools (COBIS). We are committed to ensuring excellent learning and teaching in a caring environment. You will find the school a rewarding and friendly place to work with good relationships between staff and students. We have a strong commitment to the professional development of all our staff.

Alexandria is a bustling, friendly and cosmopolitan city on the Mediterranean, full of historical interest. Life for teachers is enjoyable with a relatively low cost of living and a sufficiently good infrastructure, shops, cafes and restaurants to lead a European lifestyle. Most teachers are able to save at least 60% of their salary and, at the same time, enjoy exploring Egypt. Although in the past Egypt has appeared in the media, you will find that living in Alexandria is in reality similar to living in any other big city with no particular security issues and a strong and stable government.

Minimum Requirements

Honours degree from a UK university or similar in a Science subject

Qualified Teacher Status / PGCE

Experience of teaching in the British education system either in the UK or in British international schools

Satisfactory Police / DBS checks

Desirable

2 years' experience of teaching Science however, a strong NQT would also be considered

Experience of teaching A-level

A British citizen who has been educated in Britain and so has personal experience of the British education system

Terms and Conditions /Advantages
