

Science Teacher for August 2021

Details

The British School, Alexandria seeks applications from enthusiastic, hard-working and talented teachers looking to develop their teaching career in an international setting. We follow the British National Curriculum and you would teach KS3 Science, with the opportunity to teach any of the three Sciences at IGCSE level. You would be joining a strong department with a supportive and committed group of experienced teachers.

The British School of Alexandria seeks applications from enthusiastic, hard-working and talented teachers looking to develop their teaching career in an international setting.

We follow the British National Curriculum and students sit IGCSE and A-level examinations. We would need you to teach KS3 Science and IGCSE Biology, Chemistry and Physics. You would be joining a very strong department which achieves excellent results. The successful applicant will start in August 2021. The British School, Alexandria is a long-established, high-achieving and forward-thinking 3-18 International School known for its family atmosphere. It enjoys an excellent reputation both within Alexandria and further afield. It is recognized by the DfE and is an accredited member of the Council of British International Schools (COBIS). In our recent BSO inspection, we were described as a “Good school with many outstanding features”. We are committed to ensuring excellent learning and teaching in a caring environment. You will find the school a rewarding and friendly place to work with good relationships between staff and students. We have a strong commitment to the professional development of all our staff.

We are the first and only school in Africa to be honored with the High Performance Learning (HPL) accreditation, as well as the first school in Africa to be part of the Fellowship of World Class Schools. We believe in the growth-mindset philosophy of HPL and are enriching our students with the cognitive and attitude tool kit to thrive in an ever-competitive 21st-century global society. We would be seeking to appoint a candidate who has a similar mindset and who understands the importance of modern pedagogical research to inform their delivery of lessons.

Alexandria is a bustling, friendly and cosmopolitan city on the Mediterranean, full of historical interest. Life for teachers is enjoyable with a low cost of living and sufficiently good infrastructure, shops, cafes and restaurants to lead a European lifestyle. Most teachers are able to save at least 60% of their salary and, at the same time, enjoy exploring Egypt. Although in past Egypt has appeared in the media, you will find that living in Alexandria is in reality similar to living in any other big city with no particular security issues and a strong and stable government.

Minimum Requirements

- Honors degree from a UK university or similar in Chemistry or a related subject
- Qualified Teacher Status / PGCE
- Experience of teaching in the British education system either in the UK or in British international schools
- Satisfactory Police / DBS checks

Desirable

- 2 years' experience of teaching Chemistry, Physics or biology; however, a strong NQT would also be considered
- A British citizen who has been educated in Britain and so has personal experience of the British education system

Terms and Conditions /Advantages

- Very good tax-free salary
- Free furnished quality accommodation (excluding utility bills) with sole occupancy within walking distance of the school (minimum 2-bedroom furnished apartment for single teachers and 3-bedroom family accommodation for families) in a very pleasant suburb of Alexandria
- Annual return flights to the UK for the teacher, spouse and dependents
- Beginning and end-of-contract baggage allowance
- 2 free school places for dependent children (and 50% for a third child)
- Free health insurance for teacher, spouse and dependents
- Small class sizes (typically 15 students in a class)
- Motivated students who want to learn
- Forward-looking British independent international school at the heart of the community with a family atmosphere
- Excellent professional development together with opportunities to take on the responsibility
- British international accredited (COBIS and BSME) not-for-profit school for children aged 3-18
- Vibrant North African Egyptian city with excellent opportunities for travel
